Letter no. Dy- 818.288 28th January 1929 from the Dir. of Ry requesting sanction of funds for the construction of a farm & granage building at Siliguri and for additional staff connected therewith.

The Director requests sanction for Rs: 19,060 as detailed below:

| | | |
|---|---|---|
| (i) | 6000- | for granage building |
| (ii) | 6800- | Quarters for staff |
| (iii) | 1500- | Tools. |
| (iv) | 2520- | additional staff |
| (v) | 2240- | Estt. for seed campaign work. |
| | 19,060 | |

2. The Secy. is quite agreeable that quarters for staff are unnecessary. The work expected to be done by the staff has not been specified and it is not known whether there is a competent man in the dept. available to work as Senior Inspector - This for consideration whether the Senior Inspector at Kalar cannot attend this work also. Subject to this, the Secy. has to be consulted re items (ii) to (v), item no (i) will be provided for in the Railway's budget.

3 The provision for quarters may be entertained. I do not think that a second house is necessary. The Supervisor of Kolar can look after the Sidlaghatta farming quite conveniently, & moreover, there is to my knowledge no man among the subordinates of the Dept who is fit for the post. 2 Operatives will do & a clerk on Rs 30.

4 Rs 1000 (including cost of a microscope) will seem to be sufficient.

5 As Sidlaghatta is not a seed area, I do not see the rationale of a seed campaign there. The better course would be to strengthen this work in the Municipal, Hebbur, Budadi centres.

6 The total cost as proposed by me would be

SIR,

I have the honor to state that the question of erecting a combin-ed grainage and farm building at Sidlaghatta has been pending for a long time. A site for the building was acquired about 4 years ago. In their order No. D. 3804/Seri73-27-4 dated 1st October 1928, Govern-ment desired that the proposal for the erection of a Combined Grain-age and Rearing Building may be included in the budget for 1929-30. I request sanction of Government may kindly be accorded now for the purpose. I enclose herewith a statement showing the cost for the building ~~of~~ the Combined Grainage and Farm and the quarters for the staff. The total cost of the building would amount to Rs 12,800/-. The quarters for the Inspectors and Operatives may be built on ~~an~~ uni-form plan on the lines proposed in my letter No. D4-214/27-28 of even date which I have separately addressed to-day regarding the extension of grainage work at Channapatna. The charges on account of additional staff required will amount to Rs 2,520/- and the establishment for Propa-ganda and seed Campaign work will cost about Rs 2,240/-. A sum of Rs 1,500/- will be required for tools and plant. I request that the sum of Rs 4,760/- required for the establishment, Rs 1,500/- for tools and plant and Rs 12,800/- for the building may kindly be sanctioned early. A detailed statement showing the particulars of the expenditure is en-closed.

Govt. consider that no provision is necessary for the construction of quarters for the staff but that the building for the gramaphone is urgently necessary. They are accordingly pleased to sanction a sum of Rs. 6000/- for the purpose.

As regards the staff, Govt. are of the opinion that a Senior Inspector is not necessary, and that 2 operators on Rs. 25/- each and 1 clerk on Rs. 30/- p.m. would meet the requirements of the case. They are accordingly pleased to sanction the staff at a cost of Rs. 960/- per annum.

The Dir. has proposed the entertainment of some staff for seed campaign work at Sidlaghatta. As Sidlaghatte

as the Senior Inspector at Kolar could conveniently look after the Sidlaghatte gramaphone

SIR,

With reference to G.O. No.9798-9/Seri 90-28-2 dated the 23rd March 1929 passing orders on the requirements as regards the staff for the proposed Grainage at Sidlaghatta, I have the honour to state that Government have therein remarked that as Sidlaghatta is not a seed area, they do not see the rationale of a seed campaign at this place.

In this connection, I wish to point out that when I recommended a special staff for seed campaign in Sidlaghatta area, I did not mean that the work to be entrusted to this staff would be similar to the work done by the Sericultural staff in the seed areas of Kunigal, Hebbur and Bidadi. By seed campaign work in Sidlaghatta area I meant, work mainly of a propogandistic nature which is needed to get the Sericulturists to use tested seed of our farms and to adopt Scientific methods of Sericulture. They are briefly as follows:-

1. Assisting the Sericulturist to have his rearing house disinfected in time.

2. Popularising and distributing disease free layings prepared by Government Grainages.

3. Popularising the use of improved rearing and reeling appliances.

4. Supervision of ryot's crops and rendering useful technical advice wherever necessary.

p.t.o.

5. Influencing the ryots to take to improved methods through Co-operative Societies and village Panchayats.

Propoganda work on the above lines is being done in the Sericultural tracts of the Mysore District and is found to have a very healthy influence on the general condition of the Industry in the District. The staff I proposed for seed campaign and propoganda work for the Grainages of Sidlaghatta and Mugur was for organising work in the two areas on lines similar to those in existence in parts of Mysore Dist.and on a wider and more effective scale.

I therefore beg to suggest that Government may kindly sanction the marginally noted staff for propoganda work to be attached to the proposed Grainages at Sidlaghatta and Mugur. The recurring expenditure on this staff will amount to Rs.4,480/-, per annum. If the staff is not sanctioned the effective influence of the farms newly sanctioned will be largely restricted.

| | |
